

Busey® Announcement

eStatement Enhancements Announced!

Thank you for the overwhelming customer response to the new eStatements experience launched last July! At Busey, we are always seeking ways we can improve our offerings to serve you better. As a result of your feedback, we are making some enhancements to your eStatements.

Beginning next week, your eStatement will open in a new window when you click on the eStatements link within ebank. As you have requested, this will allow you more screen space to view your statements. This should minimize the amount of scrolling and zooming required when accessing your information.

We have also added a 'Statement Backer' link to the top bar of the screen. That link directs you to the help tools and information on the reverse of the first page of your statement (see image to the right). Your change of address form, reconciliation worksheet and disclosures are located here. This decreases eStatement file sizes by replacing the statement backer with a 'page left intentionally blank' on the reverse of the first page of each statement—making downloading, printing and saving your information quicker and easier!

Most importantly, the navigation and information you have come to rely on will not change. As you can see in the screenshot below, the links you are accustomed to remain the same.

1. View your current statement here.
2. Select account you wish to view from the dropdown menu, click on the date of the statement you would like to view for statement image.
3. Click here to view the eStatements disclosure.
4. ***NEW*** Click here for your statement backer.
5. Statement navigation bar. Click here to zoom, print and more!
6. Click the tab to search for checks, transactions, or to select your statement from the dropdown.
